

Dear parents,

It is with great pleasure that I write this letter to you as the Vice Academic Director of Rainbow International School. It is truly an honor to become a part of the RIS family and community. Even though I have only had limited interactions with the parents thus far, I can already tell that it is a unique and special place that I am incredibly excited to become a part of.

This summer, I had spent the majority of my time working and planning to ensure a smooth transition. I got to know our building, our community, and familiarized myself with the unique needs of our school. I believe wholeheartedly that every student deserves a quality education and that only happens when the school and the families work together for the best interests of our children. With that in mind I will be calling on all of our faculty, staff, and parents to work as a singular unit so we can best serve our children.

I am truly honored to be given this opportunity and look forward to immersing myself completely in our school. I believe my main responsibility is to put our teachers in the best possible position to succeed, as they will in turn put our children in the best possible position to succeed. I look forward to meeting all of you and please do not hesitate to contact me with any questions, concerns, or ideas you would like to share.

Best Regards,

Syeda.
